PREAMBLE

Victoria University and the United Steelworkers, Local 1998 wish to acknowledge the sacred land on which Victoria University operates. This land has been a site of human activity for many thousands of years. It is the territory of the Huron-Wendat and Petun First Nations, the Seneca, and most recently, the Mississuagas of the Credit River. The territory was the subject of the Dish With One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy and the Ojibwe and allied nations to peaceably share and care for the resources around the Great Lakes. Today the meeting place of Toronto is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to study, live, love and work in the community, on this territory. We are also mindful of broken covenants and the need to strive to make right with all our relations.

- 14.02 Sick leave days are accumulated (after completion of an employee's probationary period) at a rate of one (1) day for every one (1) month of service up to a maximum of twelve (12) days each year up to the year ending June 30. The University will allow the accumulation of sick days for carry forward into the next year to a maximum of seventy five (75) days of sick leave. - 14.03 The University will provide a short term disability plan that pays eighty-five (85) percent of the employee's normal weekly earnings for up to fifteen (15) weeks. In order to qualify for the benefit, employees must submit the completed designated application form after one (1) day on the short-term disability plan. The plan will pay benefits beginning on the first working day of hospitalization as an in-patient or the fourth working day of absence due to illness or injury. Employees are required to use accumulated sick leave days during the three (3) days waiting period.
- 14.04 For continuing part-time employees working twenty-four (24) hours or less, sick days accumulate as follows: one (1) day per hundred and seventy-three (173) hours worked for hourly staff; one hundred and forty-seven (147) hours worked for salaried staff. Casual employees are not covered by this Article.
- 14.0<u>3</u>5 When an employee is unable to report to work due to <u>illness</u> sickness or injury, the supervisor must be notified promptly at least two hours in advance of the scheduled start time if possible. Employees will also inform the supervisor as early as possible of the probable date when that employee is able to return to work.
- 14.0<u>4</u>7 The Union agrees that the University will retain any EIC premium reduction related to the sick leave plan.

- 14.0<u>58</u> An employee who is on sick leave for a period of more than seven (7) working days is required to provide supporting medical documentation. If the employee provides a report supporting medical documentation that is unsatisfactory to the University, the University will notify the employee and may contact the physician to obtain additional information with the written consent of the employee. The University may contact the physician either directly or through a health care professional.

- 14.<u>07</u>10If the University is still not satisfied, it will contact the Union and inform the Union about why the information is unsatisfactory. If the University requests that the employee be assessed by an independent medical examiner and the Union agrees to an independent medical examination, such agreement not to be unreasonably withheld, the Union will cooperate with the University to facilitate the independent medical examination.

The cost of the independent medical examination will be paid by the University. A copy of the independent medical examination report will be provided to the employee's family physician.

If the Union agrees to an Independent Medical Examination and the employee fails to attend the appointment with the independent medical examiner without a satisfactory reason, this may result in the termination of any benefits payable under the short-term disability plan.

14.08 Where there is a re-occurrence of the same or related illness or injury, an employee may be eligible for up to fifteen-week (15-week) sick leave if the employee has attended work for a minimum of three (3) months since returning from the last sick leave.

LETTER OF INTENT – SUMMER HOURS FOR SALARIED STAFF

This article does not apply to part-time employees working twenty four (24) hours or less.

The conditions under which the University offers a reduction in working hours in the summer are as follows:

- 1. Normal business hours and levels of service are to be maintained.
- 2. The Department Head/Manager has the discretion to determine whether a 4-day, condensed work week is practical for the work unit. If the Manager determines that the 4-day week is not practical, a 5-day work week will continue with reduced hours. (For details see #6 below.) Management shall exercise its discretion in a reasonable manner that is not arbitrary, discriminatory or in bad faith.

The Department Head/Manager of each Office/Unit will advise their staff as to which summer hours program the office will follow **by providing notification by March 31**st. Salaried administrative staff will then work in accordance with the rules for the program that their office is following. The two systems (i.e. "condensed 4-day week" and "regular hours, "5-day week program") may not be combined by an employee.

3. Employees and managers are jointly responsible for monitoring and recording hours worked.

4. The Condensed, 4-Day Work Week

- (a) The four-day work week schedule will begin on the Tuesday following the Victoria Day long weekend, and will end on the Friday prior to the Labour Day weekend.
- (b) Each week in this period, including weeks containing Statutory Holidays, will have four working days.
- (c) The average working day during this period will be 7-3/4 hours, and the average work week will be 31 hours.
- (d) Staff are to begin their hours of work between 8:00 a.m. and 9:00 a.m. and are to end their daily work between 4:00 p.m. and 6:00 p.m.
- (e) All staff will take a lunch period of one hour each day.
- (f) Staff will work 4 full days each week. Staff members and their Managers will discuss requests for flex days in advance of the week in which the day off is to be taken. The manager will advise each staff member of their day off once they know of each staff

member's request and has considered these requests in relation to the anticipated workload of the office. Staff will not be permitted to take less than a full day as a flex day.

5. When a Condensed, 4-Day Week is not Practical

When a condensed, 4-day work week is determined by the Department Head to be impractical, staff will work from 9:00 a.m. to 5:00 p.m. on a 5-day per week basis from the Tuesday after Victoria Day to June 30, and from 9:00 a.m. - 4:00 p.m. on a 5-day per week basis from July 1 to the Friday before Labour Day. The regular schedule will resume on the Tuesday after Labour Day.

6. Hours Of Service

Although some operations may not be personally attended at all times, public service (i.e., reception, telephone answering and response to public enquiry) must be maintained throughout each day in accordance with regular departmental practice.

7. Time Recording

Since both hours worked per day and the specific days worked will be flexible to some extent under this system, it is the responsibility of individual staff members and their supervisors to maintain an accurate record of time worked. All employees who participate in the 4-day summer work week must record hours accumulated each day. Hours will be accounted for at the end of each month. At this time a summary of hours worked will be updated for each staff member. Each staff member is responsible for the recording of their hours on the Attendance Record form and the Department Head for recording them on the Monthly Hours Summary Sheet.

8. Vacation Time

A four-day work week on the flex-hours schedule will be equivalent to a regular five-day work week for vacation purposes. On a daily basis, one day of summer four-day week time is equivalent to one and one-quarter days of regular five-day week work time.

The University encourages applications from racialized persons/persons of colour, women, Indigenous peoples, persons with disabilities, LGBTO persons, and others who may contribute to the further diversification of ideas."

<u>The University is committed to this practice, and to the principles of equity, diversity and inclusiveness that it communicates, and will continue to include this language when posting positions in the USW bargaining unit.</u>

The parties agree to add:

LETTER OF INTENT – RESIDENCE LIFE AND CAMPUS LIFE STAFF: TAXABLE BENEFITS

This letter of agreement concerns the positions of Residence Life and Campus Life staff who live on campus. These employees are, in addition to their regular salaries, provided with on-campus housing and parking, which are treated as a taxable benefit. This means that such employees are provided with on-campus housing and are not charged for their living space but are required to pay income tax to the Canada Revenue Agency on the value of the benefit. The University has applied and shall apply a 30% discount rate in recognition of the 'disruption factor' that is intrinsic to this arrangement.

In 2017, the University undertook an external market-value assessment of the relevant residence spaces, and taxable benefits were charged accordingly. No follow-up market value assessment will be undertaken until after June 30, 2023. Thereafter, any updated market value assessment of a residential unit may be undertaken only when the previous assessment is five years old or greater. Notwithstanding the foregoing, a market value assessment may be undertaken at any time as directed by the Canada Revenue Agency. In either case, if it is the case that a market value assessment results in the reduction of the employee's net total compensation, in consultation with the Union, the University will make arrangements to offset the differential in the same pay period as the differential takes effect.

<u>The assessed market value is updated annually by an amount equal to the Consumer Price Index</u> (Toronto) amount for the month of May each year, and will be implemented on July 1 of that year. <u>The University will issue by July 19 an annual report to each Dean's Office employee living on</u> campus that states the current value of their accommodation taxable benefit, the pending annual increase and the new value of their taxable accommodation benefit after the annual increase.

<u>The University and the Union agree that going forward, when a new employee is hired into a position that requires them to live on campus, they will be made aware, in their offer of employment, of the value and the terms of their taxable benefit.</u>

The parties agree to add:

LETTER OF INTENT –WORKPLACE INVESTIGATIONS –SHARED VALUES, PREVENTATIVE EFFORTS AND WORKPLACE RESTORATION – HUMAN RESOURCES GUIDELINE ON CIVIL CONDUCT

The University and the Union share a commitment to fostering an inclusive workplace environment where all members of our community feel they belong, are respected, and can thrive. Workplace harassment and discrimination in any form are unacceptable and unwelcome at the University.

The University understands the importance of identifying and addressing issues in a timely and transparent manner, increasing access and reducing barriers to raising concerns and complaints, and ensuring that there are no reprisals for raising a concern or a complaint. The University and the Union agree that early and/or informal resolution of concerns and complaints of workplace incivility, harassment and/or discrimination can be beneficial to the parties and may be explored by the University where appropriate in its sole discretion. The University acknowledges that respecting the wishes of complainants is a relevant factor in determining whether early and/or informal resolution is appropriate in the circumstances.

The Union and/or employees may raise general concerns regarding a department to help facilitate early identification of issues in respect of workplace incivility, harassment and/or discrimination, and explore options for early intervention where practicable and appropriate. Such options may include recommendations for education and training, mediation, facilitated discussions and/or restorative practices, exit interviews, and departmental reviews.

An employee who has been involved in an early and/or informal resolution process that was unsuccessful may file or pursue a formal complaint pursuant to applicable policies and guidelines. Notwithstanding the option of alternative methods to resolve a workplace situation, the complainant maintains the right at any time to file a formal complaint under Article 3 and Letter of Intent: Complaints Based on Alleged Breach of The University's Statement on Harassment and Violence in the Workplace, at which time the informal resolution process will cease.

The University understands the importance of mental health supports for parties involved in a complaint process and makes them available as applicable.

Employees may request interim arrangements while a complaint is being addressed, which the University will consider in accordance with relevant policies and the Collective Agreement. The University may explore workplace restoration after an investigation has taken place, where appropriate, in order to assist the parties to an investigation and their department(s) in fostering a return to a healthy, respectful, and productive workplace.

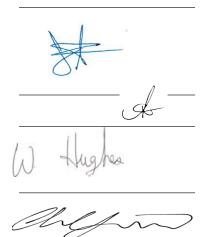

The University and Union agree that access to Union representation can be important to employees engaged in these processes.
