VICTORIA UNIVERSITY
IN THE UNIVERSITY OF TORONTO

Territorial Acknowledgement

A large, intricate, light-colored decorative scrollwork design, resembling a stylized floral or vine motif, is positioned in the upper right and middle sections of the page, partially overlapping the text.

As we gather together, we acknowledge this sacred land on which Victoria University in the University of Toronto operates. It has been a site of human activity for 15,000 years. This land is the territory of the Huron-Wendat and Petun First Nations, the Seneca, and, the Mississaugas of the Credit.

The territory was the subject of the *Dish With One Spoon Wampum Belt Covenant*, an agreement between the Iroquois (Haudenosaunee) Confederacy and Confederacy of the Ojibwe (Anishnawbe) and allied nations to peaceably share and care for the resources around the Great Lakes.

Today, the meeting place of Toronto is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work in the community, on this territory.

We are also mindful of broken covenants and the need to strive to make right with all our relations.
